## CERTIFICATE

The company

**Santex Industries**  
Plot# 243, Sector-27, Korangi Industrial Area  
Karachi, PAKISTAN

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the OEKO-TEX® mark, based on our test report **17.0.03340**

for the following articles

Terry towels, bathrobes, kitchen towels, washcloths, hair wrap, sauna set (shower wrap and towel) and washing gloves made of 100 % cotton, white, dyed and yarn dyed, including accessories (sewing threads, woven and printed labels, piping, tape made of 100 % cotton); exclusively produced from material certified according to STANDARD 100 by OEKO-TEX®.

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate **17.HPK.03340** is valid until **31.03.2018**

Boennigheim, 17.03.2017
