BED LINENS PILLOW COVERS

Sultex Industries provide ultimate comfort. Our Bed Linens and Pillow Covers are made of durable cotton or cotton/poly blend fabric, which are machine-washed and meet high quality standards needed for infants comfort.

TERRY TOWELS

Sultex Industries Terry Towel collection is the perfect option to boost your apparel image and enhance the patient experience. With a delicate balance of blend and strong construction, these towels look great even after numerous commercial washes.

PATIENT GOWNS

Our apparels are comfortable for the patient, functional for the medical staff, and easy to process for the laundry. We offer a wide selection of Patient Gowns.

SCRUB SUITS

Sultex Scrub Suits are fresh and hygienic. You don't have to worry about stains, odours or wear and tear which can be problems associated with traditional, reusable scrubs. Our scrubs support infection control, showing lower levels of bacterial air contamination than cotton or polyester scrubs.

LAB COATS

We carry a full line of Lab Coats. We offer lab coats with different materials including cotton, poly-cotton blends, and polyethylene-coated. Fluid-resistant lab coats are specially formulated so that liquid quickly beads and rolls off fabric.

BATH BLANKETS

Our Bath Blankets are made from superior yarns and napped on both sides for a soft flannel surface that will minimize pilling. They are great for a multitude of purposes - soft, warm, comfortable, and highly absorbent.

BABY BLANKETS

Sultex Baby Blankets provide ultimate comfort to infants our baby blankets are made of durable cotton or cotton/poly blend fabric, which are machine washed and meet high quality standards needed for infants safety and comfort.

THERMAL BLANKETS

Thermal Blankets are breathable yet warm providing just enough coziness to take the chill away without making you sweat. They're perfect on their own during summer or for layering during winter, and are also ideal for transitioning between seasons.

SURGICAL TOWELS

Surgical Towels, which are best suited for use in the health care sector. These towels are made with a delicate balance of blend and strong construction to allow optimal use.

WATERPROOF FLAT PADS

Waterproof Flat Pads are soft and breathable surface that provides a soft, non sweaty and comfortable waterproof barrier and also blocks dust mites and other potential allergens.
