USAID Investment Promotion Activity

Are you a Pakistani
firm that would like to
overcome technological
trade barriers with the
United States?

The USAID Investment Promotion Activity (IPA) can help strengthen your efforts through its Tech Transfer Grants. USAID IPA is now inviting grant applications from firms registered in Pakistan from the following priority sectors that have a high potential for strengthening and/or scaling-up U.S.-Pakistan bilateral trade.

Information Communication and Technology (ICT) 
 Manufacturing 
 Agri-tech business and processing 
 Hospitality/ Tourism 

**Firms not from these
priority sectors are also
eligible to apply*

Potential grant funding of up to
PKR 2 million
per grant

USAID IPA will accept grant applications on a rolling basis till June 15, 2023, or till the time the allocated number of grants are awarded. USAID IPA will review, evaluate, and award grants in three batches based on the following award cut-off dates:

1st Batch – January 15, 2023 2nd Batch – April 15, 2023 3rd Batch – June 15, 2023

To receive more information about grant application guidelines,

please send an email to
