

Dear Recipients,

Pakistan Single Window-PSW is committed to ensure quality of Services during their transformation journey. As the systems and features of PSW are evolving, the need for Improved Service and enhanced Customer Experience to its stakeholders is given Utmost Importance. PSW as a part of its Change Management and Transformation Strategy, is open to capture User's Feedback and Involves them during each phase of project to record and delve their valuable input in a Cohesive Manner.

We are glad to share that following Changes/Amendments have been developed as per the feedbacks received from multiple sources:

**1. Single Declaration Import/Export – Barter Trade:**

- a. Traders/ CA can claim the Barter Trade Quota issued by QCCI in Single Declaration Export & Import.
- b. Upon claiming of Barter Trade Quota, the condition of financial instrument association is waived. Traders/ CA are not required to associate financial instruments.

**2. Single Declaration Import – Clone:**

- a. Traders can successfully clone a submitted Single Declaration.
- b. The following data elements are being cloned.

Consignment Information	Financial Information	Commodity Information
<ul style="list-style-type: none"><li>○ <i>Collectorate</i></li><li>○ <i>Trade Type</i></li><li>○ <i>Consignment Category</i></li><li>○ <i>Declaration Type</i></li><li>○ <i>Mode of Transport</i></li><li>○ <i>NTN</i></li><li>○ <i>Consignee Name</i></li><li>○ <i>Consignee Address</i></li></ul>	<ul style="list-style-type: none"><li>○ <i>Bank Name</i></li><li>○ <i>Currency</i></li><li>○ <i>Delivery Term</i></li><li>○ <i>Insurance (Sel. Currency)</i></li><li>○ <i>Insurance %</i></li></ul>	<ul style="list-style-type: none"><li>○ <i>HS Code</i></li><li>○ <i>Tariff Description</i></li><li>○ <i>Product Code</i></li><li>○ <i>Product Description</i></li><li>○ <i>Declared Description</i></li><li>○ <i>Regulatory Departments</i></li><li>○ <i>Unit of Measure (Assessment Purpose)</i></li><li>○ <i>Unit of Measure (Statistical Purpose)</i></li><li>○ <i>Origin</i></li><li>○ <i>Item Import Type</i></li></ul>

### 3. **Integration of Commercial Banks with PSW:**

#### a. **Addition of fields in Financial Instrument view Grid:**

- Consignor Name
- Consignee Name
- Financial Instrument Value
- Balance
- Expiry date

#### b. **Addition of fields in Financial Instrument view:**

A new grid has now been added in the 'View Financial Instrument' dashboard where multi-party consignee names will be displayed. This information shall be shown when the multi-party consignee names have successfully been sent to WeBOC.

#### c. **Sharing of GD Information with the newly selected bank after the change of bank approval:**

PSW shall share with the newly selected bank, information on all GDs (filed/processed while a change of bank was pending) which were communicated from WeBOC to PSW after the change of bank is approved from both sides.

**We appreciate your feedback and hope that PSW is creating Positive Impact in terms of your daily tasks and overall work !**

Regards,

**Faisal Hussain**

**Assistant Manager – Change Management**
