Dear Mr. Muzamil

With great pleasure we would like to inform you that we have made arrangements to cater for shipment of display samples to Messe Frankfurt for the Heimtextil fair after the withdrawal of services by DHL Express.

We would be charging fee of USD 9.80/KG for shipments from Pakistan to Frankfurt, minimum chargeable weight acceptable would be 75KG, we would be delivering the shipment to receiving center @ Messe Frankfurt. These charges are from Pakistan to Germany by air. All customers will have to make a booking with us and deliver the shipment at the origin airport.

If you desire to bring back your display samples then there would be separate charge and shipment will arrive by ocean freight to avoid high air cost. Shipment will be handled by our partners Hermes Word Germany.

The last date to deposit the shipment in Pakistan is 6th June 2022. If you are interested to avail our services then kindly please contact the following persons.
