Dear Member,

Subject: TECHNICAL EDUCATION FOR BOYS & GIRLS

Textile is by far the most important industrial sector of Pakistan. The Industry desperately need technicians. SMA Rizvi Textile Institute (**SMARTI**) is a joint project of Towel Manufacturers Association (TMA) and Ministry of Commerce, Government of Pakistan. The idea of setting up of textile / towel manufacturing training institute was conceived by TMA in eighties. The Institute started functioning in 1996-97 with the aim of providing quality education. **SMARTI** is offering:

4 Years BS – Textile (Evening) Program:-

(Affiliated with University of Karachi)

3 Years DAE (Morning) Program:-

(Affiliated with Sindh Board of Technical Education)

- | | | |
|------------------------------|----------------|----------|
| 1. Textile Weaving | 4. Mechanical | 7. Civil |
| 2. Textile Dyeing & Printing | 5. Electrical | |
| 3. Chemical | 6. Electronics | |

Short Courses (3 to 6 months) on Sundays:-

- | | | |
|--------------------------------------|---------------------------|----------------------|
| 1. Advance Merchandizing | 5. Advance Spinning | 7. Fashion Designing |
| 2. Quality Control & Textile testing | 6. Wet-Processing | 8. PLC |
| 3. Weaving Loom Operator Course | 7. Industrial Electronics | |

The unique blend of the curriculum and a highly qualified faculty enables the institute to provide a favorable environment for grooming its students. The institute provides a healthy and congenial environment for an extensive program of interaction of students with professionals from the industry. In spite of rising cost of maintenance the fee package has been kept at reasonable level. **Our passed out students get the jobs easily and mostly are absorbed in textile / related industries.**

We are planning to visit your Organization and address to your employee by giving them a presentation on SMARTI, its program and the importance / benefits of technical Education in Career building.

SMARTI will also appreciate if your management encourages the employees to get technical education for their children's from this institute and help their families to raise the standard of living.

Please do not hesitate to contact us :
