THE NEWS INTERNATIONAL

Under Make-in-Pakistan Initiative: Govt plans to help major global brands open business outlets in Pakistan

ISLAMABAD: Under the 'Make in Pakistan Initiative', the government is making its mind to bring major international brands to Pakistan for more sourcing with Pakistan's enterprises in their joint ventures.

Development of Islamic economic framework stressed

Islamabad: While Islamic finance has garnered attention in recent years, the true potential lies in developing a comprehensive Islamic economic framework that can uplift Pakistan's socio-economic landscape by nurturing Islamic social finance and fostering holistic growth.

Smuggling causes 60pc drop in people's purchasing power

LANDIKOTAL: The sale of essential goods has witnessed around 60% decline in recent months, attributed to skyrocketing prices, especially for sugar, flour, and pulses in local markets.

TRIBUNE NEWSPAPER

Revitalising Pakistan's export engine, economic activity

KARACHI: The recent trade statistics published by the Pakistan Bureau of Statistics (PBS) for November 2023 suggest that exports in the first five months of FY24 are hovering at levels similar to those reported for the first five months in the previous fiscal year.

Consequences of price controls

ISLAMABAD: As elections near, the issue of inflation and price control policies have been making headlines – though for all the wrong reasons. The federal government's Price Control Order 2021, like similar policies in other developing countries, apparently aimed to favour inflation-hit consumers but instead created market distortions and bore a heavy cost.

Biogas from fodder (Napier) grass

ISLAMABAD: We are passing through difficult times in terms of energy supply and prices. Energy supply is decreasing and international energy prices are increasing. It has become vital for us to look for and discover as many energy resources as possible.
