Export Finance Scheme: Govt allocates Rs300bn for SMEs

ISLAMABAD: The government has allocated Rs300 billion exclusively for small and medium enterprises (SMEs) exporting under the Export Finance Scheme (EFS). The move aims to improve SMEs' access to concessional financing, reduce their cost of doing business and strengthen the country's export competitiveness.

Power Division denies hike in industrial tariff

ISLAMABAD: The Power Division has rejected the impression that the industrial electricity tariff has been increased to Rs25.30 per unit, clarifying that the figure represents the revised marginal rate under the Incremental Consumption Package (ICP) for industrial and agricultural consumers and not the applicable industrial tariff.

DAWN NEWSPAPER

Govt reserves 10pc of local LPG for state-owned firms

ISLAMABAD: A high-level committee tasked with operationalising the LPG auction framework decided on Saturday that state-owned companies would be allocated 10 per cent of locally produced LPG, while private bidders would be allowed to purchase a maximum of 20 tonnes per day through the auction.

THE NEWS INTERNATIONAL

PM to visit Turkiye for COP31 on 10th

ISLAMABAD: Prime Minister Shehbaz Sharif will leave for Turkiye on Tuesday, Nov 10, to attend the United Nations Climate Change Conference (COP31) in Antalya, where he is expected to hold important meetings with several world leaders, diplomatic sources told The News on Saturday.

Punjab targets leather as next export engine

LAHORE: Punjab has partnered with the Pakistan Tanners Association (PTA) to shift leather production from raw hides towards high-value finished exports through the Sanati Taraqi & Export Programme (STEP) initiative.

FBATI rejects annual inspections of industrial units

KARACHI: The Federal B Area Association of Trade and Industry (FBATI) has rejected the Electric Inspectorate's decision to conduct annual inspections of industrial units, demanding that the government immediately withdraw the move.

TRIBUNE NEWSPAPER

Govt shifts gears to rev up EV adoption

ISLAMABAD: The government's new Automotive Industry Policy aims to gradually reduce vehicle prices, while transforming the auto sector into a competitive, export-oriented manufacturing industry through greater localisation, improved safety standards and promotion of electric vehicles.

Final tariff relief decision after review

ISLAMABAD: Despite dissenting views from the member tariff and member development, the National Electric Power Regulatory Authority (Nepra) has increased the incremental consumption tariff by Rs2.32 per unit for agricultural and industrial consumers.

SIFC, K-P eye investment in SEZs

ISLAMABAD: The Special Investment Facilitation Council (SIFC) and the Khyber-Pakhtunkhwa (K-P) government have discussed measures to simplify business regulations, strengthen key Special Economic Zones (SEZs) and facilitate domestic and foreign investment in the province.
